

Vandenberg Middle School is looking for volunteers to help with an evening of science contests and hands on activities on Thursday, January 31, 2013 (see attached flyer).

Positions needed for The Science Games Competition:

- Safety Leaders for each of the six contests to insure students are safe while competing and crowds stay behind barriers (Need 6 volunteers, from 5:30 to 8:15 PM)
- Scorecard Recorders/Event Judges to accurately record points during contests (Need 6 volunteers, from 5:30 to 8:00 PM)
- General helpers for the six contests (Need 8 volunteers, from 5:30 to 8:15 PM)
- Scorecard runners (Need 3 volunteers, from 5:30 to 8:00 PM)

Positions needed for The Hands on Science Activities:

- General helpers for 14 hands on activities (Need 11 volunteers, from 5:30 to 8:15 PM)

Other needed Assignments:

- Set up (Need 5 volunteers, from 3:30 to 5:00 PM)
- Clean up (Need 5 volunteers, from 8:00 to 9:00 PM)
- Flag handling and Olympic style flag raising during awards Star Spangled Banner (Need 2 volunteers, from 5:30 to 8:15 PM)
- Mousetrap catapult design & supply prep. (Need one volunteer that has a wood shop. Need to be completed by January 24th)

For a list of the Hands on Activities and Contests click on "[Volunteer Activities Responsibility Details](#)". See also our Science Games website at sciencegames.vmsteacher.org.

The Point of Contact for volunteers:

Debra Taylor

Email: taylor.debra@lusd.org

Voice Mail: 742-3864

Phone: 720-5974

You may specify a specific position or indicate "wherever you need help". We will need your name, contact email and phone number

Thank you for supporting science education at VMS.

THE SCIENCE GAMES

Thursday, January 31, 2013

6:00-8:00 PM

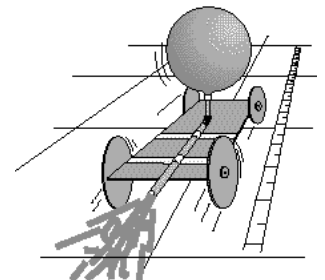

Twenty four students will match wits, engineering & science skills as they compete for the gold in these contests:

- Trebuchet target strike
- Balloon cable rocket precision test
- Hot air balloon weight lifting competition
- Zip line carriage race
- Highest & lightest balloon lofted egg drop
- Mousetrap/balloon car speed & distance contest

Plus, hands on activities and information for all that attend: young and old alike

- Mousetrap catapult construction & contests
- Zip line carriage design & races
- Balloon powered car & boat races
- Art activities
- Microscope cheek cell & pond water exploration
- Aquarium touch tanks
- Learn more about the upcoming AIAA Annual Science Fair hosted at VMS
